What can you do?

Participate in feedback about your child's movement behaviours

Participate!
We value your voice

You help us to improve the quality of your child's participation experience

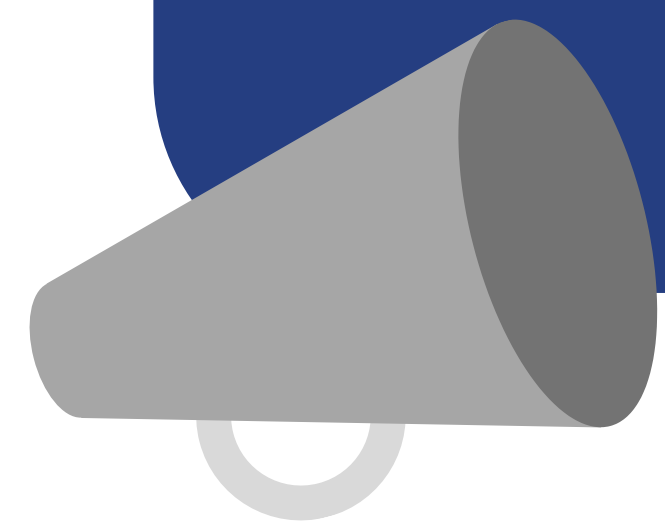

- CDPP is committed to fostering quality experiences
 - Check out our [Quality Participation Blueprint](#) to learn more!

Your participation allows us to serve you better!

- Try using our [Ability Toolkit](#) with your kids!

Be an advocate in your local community, and get others involved too!

We need your voice

Current accessibility legislation lacks a specific focus on physical activity

- There is an immediate need for more accessible spaces - especially outdoors (e.g. Playgrounds)
 - What makes a playground accessible and inclusive? Visit our [Inclusive Playgrounds Resource](#) to learn more

We need dedicated government funds allocated to CAWD

- What can you do locally? Consider as your first step speaking to your local MPP
